PERSONAL STATEMENT

I wish to on the board of trustees because I love my neighborhood and want to see it continue to progress and grow. I see changes proposed now that could both help and hurt the community. I have fundraised for groups such as the MS society, cure for Alzheimer, walk for wishes, and Autism speaks as well as St. Jude's hospital. by supporting their involvement with the Franklin-Clinton Block club, I've volunteer for the Ohio City Street festival last year as well. Currently involved with Cleavelander for Public transit. I am also affiliated with the Ohio organization collarative and the SEIU. I almost forgot I marketed for Cleveland Gay Games two years ago but no other marketing experience. Hopefully, I can do more for our community In the future.
