## Middle School & High School Boys 2019 Basketball Schedule

**FYI** - If you have a game at Lincoln West High School. All players, coaches and spectators will have to fill out a "participate registration" form before entering the gym. You will only have to do it one time. This allows Lincoln West High to keep the gym open late and available to community groups. Gym is open at 6:30 pm, so arrive early enough to fill out form. NWR Manager will also provide forms to coaches prior to games.

Team will be seeded off regular season record. If teams have same record, we will go off of head to head match up. If that is a tie, we will look at point differential in the head to head match up games. If that is a tie, we will look at record against top seed and go down the seeds until there is an advantage.
