## WELCOME TO OHIO CITY

Ohio City is Cleveland's Artisan Neighborhood. Home to 9,000 residents, over 150 food businesses, significant cultural institutions such as the West Side Market and Saint Ignatius High School, and historic homes and attractions, Ohio City is a complete urban neighborhood that can meet all of your needs. We welcome you to explore the neighborhood with this map as your guide to all the neighborhood has to offer.

### HISTORY

One of Cleveland's oldest neighborhoods, Ohio City (City of Ohio) was originally part of Brooklyn Township, founded in 1818. On March 3, 1836, two days before Cleveland's incorporation, the City of Ohio became an independent municipality.

It remained so until June 5, 1854, when it was annexed to Cleveland. Ohio City residents fought in the "Battle of the Bridge" to stop use of Cleveland's new Columbus Street Bridge, which siphoned off commercial traffic to Cleveland before it could reach Ohio City's mercantile district.

### OHIO CITY INCORPORATED

Ohio City Incorporated is the community development corporation which endeavors to preserve, promote and develop Ohio City as a desirable place to live, work, play, visit and worship.
